CAMPAIGN ROI

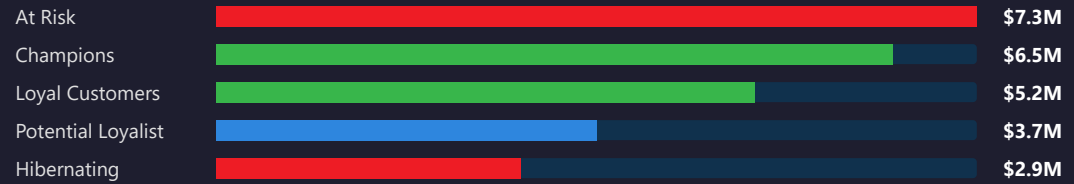

Annual Revenue Trend

Revenue contracted to **\$2.76M** in 2025 from a peak of **\$12.78M** in 2023 .

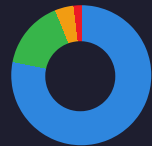

RFM Revenue by Segment (top 5)

Champions and Loyal Customers drive 35.7% revenue, offsetting high churn of bottom tiers .

Revenue by Channel

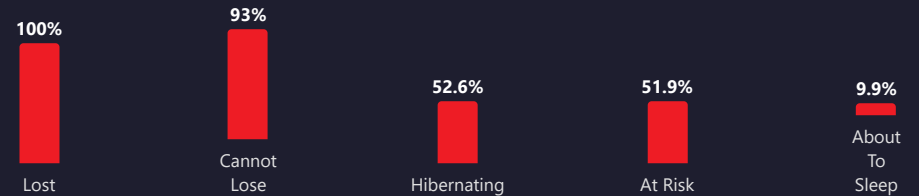

78% of revenue flows through the Partnerships channel and **68%** from Cancer Research alone. **70.7%** comes from the Americas. This is acute concentration risk .

Partnerships: \$25.7M (78.1%)
Direct Outreach: \$5.2M (15.7%)
Events: \$1.4M (4.3%)

Churn Rate by Segment

Total Revenue at Risk: \$7.6M (23.2%). Implement an automated 180-day early-warning trigger .

Market Basket: Cross-Sell Opportunities

What-If Scenario Planning: +15% Closes the Gap

1. Defend Champions

Protect 35.6% of revenue (\$11.7M) via CLV management .

2. Recover At-Risk

Recover up to \$1.8M from dormant/risk segments .

3. Bridge M3-6 Cliff

Intervene at Month 4 to lift M6 retention to ≥50% .

4. Cross-Sell Bundles

Bundle Neuro + Workforce via Digital to lift Avg Gift .

5. Set +15% Target

Use What-If planning to hit \$37.8M FY2026 revenue .

6. Diversify Channels

Shift 5% budget to Digital to reduce concentration .
